Wednesday, November 18, 2026
9:00 a.m. - 3:40 p.m.

Drexel Kline Institute of Trial Advocacy
12th and Chestnut Streets, Philadelphia

What is Decision Making Capacity?
You must have capacity to create these legal documents. Learn how medical and legal professionals ethically evaluate capacity to ensure you are able to understand what you are doing and want to do it.

Protect Yourself From Financial Exploitation
Sometimes agents use their power unlawfully! Learn how to recognize the warning signs of financial exploitation under POAs and how planning ahead can help safeguard you and your assets.

Understand How a Power of Attorney (POA) Works
Learn what a POA is and what your rights are once created as well as the importance of selecting an agent who will ethically perform their duties .

Guardianship: When it Applies & How it Works
Once capacity declines, guardianship can become an option. Learn when and why guardianship is used and how it operates to protect the rights of older adults.
